Business Aviation All Set to Soar in India

Air charter company Club One Air (COA) launched its operations from Delhi in August 2005 and Mumbai in March 2006. It specialises in corporate and tourism charter and also provides medical evacuation services across India. COA, whose fleet includes aircraft like CRJ-100 which can seat 18 passengers in ultimate luxury, Falcon 2000 which can accommodate 8-10 people, Cessna Citation Excel which can give a comfortable travelling experience to eight persons and Cessna Citation C- II which seven people can use, is now planning a fleet expansion. The company has bases in Delhi, Mumbai and Visakhapatnam.

Rajan Mehra of COA speaks to AeroMag Asia on Business Aviation in India, the company's future plans and the government's policies towards the sector.
